

WORCESTERSHIRE CHESS ASSOCIATION.

Counties and Districts Correspondence Chess Championship 1978.

Dear Competitor,

Following two seasons of moving in an upwards direction I have to report that this year we have moved down.

In Division 1 we could manage only $12\frac{1}{2}$ points and finished in 12th position. In Division 3 we did not retain the trophy but scored a creditable 12 points which put us in 3rd position.

Please keep a copy of your game, with dates, in case of dispute and let me know at once if your opponent does not keep to the time-limit. The Playing Rules are enclosed.

Best wishes and good luck in all your games this season.
